shapeliness. All of this can be avoided by the use of a friend before baby comes, as this liniment prepares the for the strain upon it, and preserves the symmetry of her form. A friend makes the danger of child-birth less, and carries her through this critical

The Good Word

That Dr. Pierce's Golden Medical Discovery is to-day and has, for over 40 years, been the standard Blood-purifier, Stomach Strengthening and Liver Invigorator sold by druggists. It's not a secret nostrum but a medicine of known composition—a medicine so good that the best physicians prescribe it knowing that its ingredients, which are printed on its outside wrappers and attested under oath, are the best known to medical science for the diseases for which it is advised.

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not his greater profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, In Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
